

Minutes of business meeting of the Scandinavian Logic Society

A business meeting of the Scandinavian Logic Society was held on 13 June 2018, at the tenth Scandinavian Logic Symposium in Göteborg.

Attending: Bahareh Afshari, Rasmus Blanck, Anupam Das, Ali Enayat, Fredrik Engström, Valentin Goranko, Mattias Granberg Olsson, Martin Kaså, Vera Koponen, and Graham Leigh.

§1. Valentin Goranko, acting as chair of the meeting, declares the meeting opened.

§2. The agenda was presented and approved.

§3. Reports from the organizers of the Third Nordic Logic Summer School 2017 in Stockholm and the Tenth Scandinavian Logic Symposium 2018 in Gothenburg. Based on the experience from organizing the SLS2018 the chairs of the committee of the SLS2018 recommended a separate Program Committee and Organizing Committee (but with some overlap) for future Symposia. It was also noted that for coming events the society should announce the dates and the venue as early as possible.

The meeting was positive to continue with alternating between Summer Schools and Symposia and there was a short discussion regarding the venue of the Fourth Nordic Logic Summer School and the Eleventh Scandinavian Logic Symposium. Next in turn for hosting the School is Denmark and Iceland and for the Symposium is Norway and Iceland, they should be prioritized. This will be a question for the next Executive Committee.

§4. Election of the Executive Committee. The proposal by the Election Committee for a new Executive Committee was presented as well as the process of the election.

§5. Other relevant matters. The possibility to have a seminar series alternating between the Scandinavian logic departments was discussed as well as setting up a fully functional mailing list for announcements of seminars, events, etc.

§6. There being no further business to come before the meeting, the meeting was adjourned.

Respectfully submitted,

Fredrik Engström, Recording Secretary
